

Travel Journal Entry 11: En Route to Brazil

Hi Friends,

I can't believe that I am heading to the second-last stop of my world trek! It is so exciting! I really enjoyed my time in Paris, but now it is off to Rio de Janeiro, Brazil!

My flight departs Paris at 10:20 a.m. and I arrive in Rio de Janeiro at 7:30 p.m. for a total flying time of 12 hours and 10 minutes.

Did you know that Rio de Janeiro is known as "the wonderful city". Rio used to be the capital of Brazil until 1960 and after that the capital was changed to Brasilia.

I have a lot planned for my stay in Rio. I will get some rest on this flight and write to you soon about all of my adventures.

Sincerely,
Your Friendly Neighbourhood Trekker, Zoë!
